1) Dancing with my class	I held hands w/my partner or in the circle	I feel comfortable dancing with my class	I sometimes have to watch other classmates to remember the steps	I feel comfortable dancing with my class and I know the steps to our dance.
2) Paying Attention	I recognize when I am distracted or am having trouble paying attention	I listen to my instructors	My focus is improving	I can be aware of myself and everyone around me while I dance
3) Footwork, -rhythm/accuracy & Sequence of Movement	I learned new steps	I understand the rhythm and feel more comfortable with the steps	I understand the sequence of movement	I know the dance well enough to teach my friends
4) Hand Gestures & Upper Body	I learned the hand and posture today	I am coordinating my hands and feet	I remember the movements	I know the dance so well that I can express myself while I dance
5) Facial Expression (incl. eye contact with partners and group)	I'm still focusing on my dance steps and not always making eye contact	I learned to make eye contact with dance partners/classmates/instructor	I made eye contact and remembered to smile today	I smile, feel the joy and project my feelings as I dance!
